The Aylsham Community Trust (families) Adult Learning Evening Programme February & March 2020

Our adult learning programme offers trust families a range of opportunities to explore and develop new skills alongside studying to exam level.

“Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young.” – Henry Ford

Keep Learning. Stay young!

We have been delighted with the response to the launch of The Aylsham Community Trust (families) Adult Learning Evening Programme.

Several of the courses offered as part of our autumn term programme were heavily oversubscribed – we therefore suggest that if you are interested in joining a course you book your place as soon as possible!

We will be offering our families the opportunity of joining an expanding programme over the coming year and would like to thank Clarion Futures and Victory Housing for their financial support towards delivering this programme.
